* = where a RINGMAT is already in use

** = add to this reduced System price the cost of the Ringmat from the prices listed below

RINGMATS		
Ringmat 200 – about 2.4mm thick	£ 52.50	£ 43.75
Ringmat 250 – about 3mm thick	£ 55.50	£ 46.25
Ringmat 330 MkII XLR – about 3mm thick	£ 60.00	£ 50.00
Anniversary Ringmat 330 – about 3mm thick	£ 66.00	£ 55.00
Anniversary Gold Spot Ringmat 'Real Ale' version – about 3mm thick	£ 78.00	£ 65.00

It is recommended that the Anniversary Gold Spot, Anniversary 330 or 330 MkII XLR should be chosen, except in the case of those few turntables that normally have a very thin felt or rubber mat, or no mat, and have no tonearm height adjustment. Accordingly, Linn, Roksan, Rega and similar turntables should use the Gold Spot or one of the 330 Ringmats.

RINGMAT 'ECON' FEET

Ringmat 'ECON' Feet are constructed in the same way as standard Ringmat Feet except that there is no top disc to act as a pressure point on the larger intermediate disc directly below and to protect that intermediate disc from certain types of equipment 'feet'. Performance is approaching that of standard Ringmat Feet when used with Small Ringmat Domes (Cheetah, Tiger and Indian Jumbo 'ECON' Feet) and Large Ringmat Domes (African Jumbo and Mammoth 'ECON' Feet). Likewise, with Small and Large Ringmat Spike Stoppers.

Ringmat 'ECON' Feet are an effective economical version of standard Ringmat Feet without quite reaching the sublime levels of performance obtained from the standard Ringmat Feet.

Cheetah 'ECON' Feet (* = includes one Statfoot)

Set of 3*	Up to 10.5kg	£ 49.20	£ 41.00
